September 1, 2012

Dear Sultan Club Members,

In order to for us to continue on our path towards being a more successful and viable organization, it is necessary that we operate under an established set of procedures and guidelines to ensure alignment and transparency in the actions of everyone associated with our club. After many years of hard work, we believe the time has finally come to formally enact the Constitution that so many people have donated their time towards completing.

On Saturday, October 6th, 2012, at 7pm, we will hold a special meeting where we ask that all paid members attend in order to vote on the Constitution. For members of our community that have not yet paid their membership dues and would like to participate in the voting process, then you will be able to do so if you pay your 2012 membership dues by September 30 and have previously paid your 2011 membership dues in 2011. These criteria are being introduced to prevent someone with the sole purpose of voting in his/her interests at the expense of members of the club that have been loyal throughout.

As a reminder, as per article 10 of the current Constitution, two-thirds of paid members present at the meeting are needed to approve the Constitution. We are sending out the Constitution well in advance of this meeting to allow for proper review by the paid members of our community prior to voting.

We look forward to seeing our paid members attend this important event and milestone in Sultan Club's history.

Best Regards,

Ghassan Smidi
President
